Finally a home that ticks so many boxes! We are very excited to bring this home to market for these reasons and more:

- *Superb floor plan that would suit most family needs with bedroom and living spaces on both up/ downstairs level
- *3-4 Car Garage - quite rare and very high on most home owners wish list
- *Magnificent Pool and a generous covered Entertaining Area
- *North Facing and so close to the Beach, Cafes, Restaurants and Surf Club
- *Beautifully appointed with Timber shutters, superb kitchen, walk in pantry, neutral colours and Ducted Air throughout

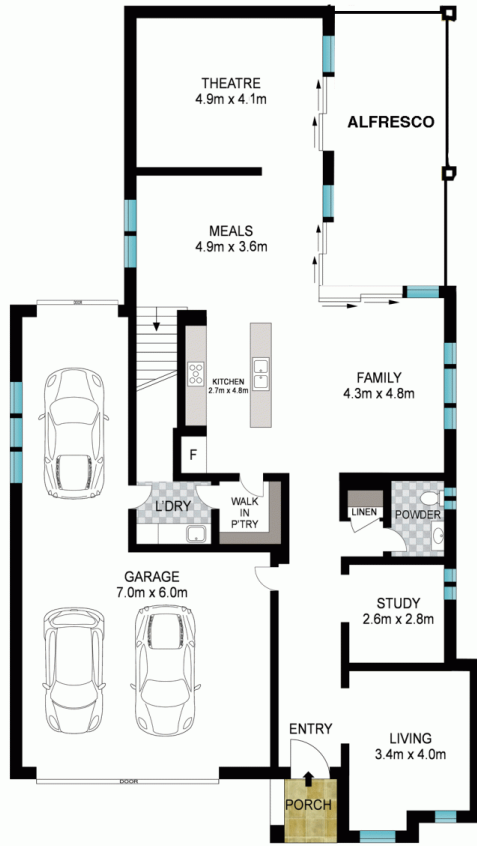

The owners are reluctantly moving due to family needs further north. Much care has been taken during the design and build phase which can be enjoyed by an astute buyer seeking a superb beach lifestyle home still close to the airport and all important amenities.
