

3/25 Salt Water Crescent KINGSCLIFF NSW

3  2  2 

This home will not last long on the market - local agents would agree! Set in the northern and most sought after precinct of Salt Village, and surrounded by homes over a million dollars and upwards, this immaculate, almost new townhouse is a dream!

The open plan living, dining and kitchen is generous and welcoming. Views to Mt Warning can be seen from this area and the upstairs master bedroom. The current owners worked meticulously with the builder to customize and upgrade this particular home. The owners were also particular in the lot they chose for its shape that leads to privacy and nice set back off the driveway entry. The kitchen is larger and designed for entertaining with generous stone benchtops and a 900mm oven/cooktop. The covered outdoor area with decking overlooks a forever greenbelt, with a walkway that goes towards the park and beach in one direction, and the Kingscliff creek in the opposite direction. This home is in walking distance to the Salt cafe/restaurant precinct, IGA supermarket and Surf Club, with a very short bike ride into Kingscliff village.

So much attention to detail has gone into this 3 bedroom very generous home!

We think it would be perfect for a couple wanting to retire to
